RE: CC Docket No. 02-6
Request for Review

This letter is to appeal the "Administrator's Decision on Appeal-Funding Year 2005-2006" dated "October 26, 2006".

RE: Applicant Name: Prosser School District #116
Billed Entity Number: 145533
Form 471 Application Number: 469478
Funding Request Number(s): 1314051
Your Correspondence Dated: May 25, 2006
Decision on Appeal: Denied

With accordance to program rules, Prosser School District wants to use June 20, 2002 as the contract award date and we are providing a copy of a Form 470 for:

- Funding Year 4 (07/01/2001 – 06/30/2002)
- Form 470 Application Number: 931260000314085

During Year 4 the cell phone service provider was AT&T but since then it has merged with Cingular, the state master contract number has remained the same.

Problem:

The 2004/2005 Funding Commitment Decision Letter for cell phone service for FRN 1197581 is dated March 24, 2005, which was denied, we appealed and finally received funding approval on July 25, 2006.

Our 2005/2006 Form 471 had to be submitted prior to March 24, 2005. When Form 471 was submitted we provided the same contract information as the prior Erate Year 2004/2005 for cell phone services, not knowing we would be denied again since SLD 2004/2005 information was received after our 2005/2006 Form 471 had to be submitted. If we would have known of the error prior to submitting our 2005/2006 Form 471 we would have marked "MTM". Since we hadn't heard back from the previous year, we assumed we were doing it correctly.

Thank You,

Larry Mayfield
Business Manager

Re: Applicant's Form Identifier: Form 470-A
Form 470 Application Number: 931260000314085
Entity Number: 145533
Date Form 470 Posted: 11/22/2000
Allowable Vendor Selection/Contract Date: 12/20/2000

Dear Applicant:

We are pleased to inform you that the Schools and Libraries Division (SLD) has received your FCC Form 470, "Description of Services Requested and Certification Form," although we have NOT yet received your Block 5 signed certification page. The posting date is noted above. This letter provides important information about the processing of your Form 470 application. Please read this letter carefully and retain it for your records and future reference.

The Form 470 Application Number listed above has been assigned by the SLD and will be used to track your Form 470. This number must be provided on each FCC Form 471, the "Services Ordered and Certification Form," that cites this Form 470. Any applicant who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries featured in this application to assist them in their preparation of Form 471.

FCC rules require that requests for tariff or month-to-month services and requests for new contractual services be posted on the SLD web site for a period of 28 days before selecting a vendor, to provide for a competitive bidding process. State or local laws may require a longer procurement cycle. This 28-day waiting period must occur before you may execute any contracts for contracted services; before you select your vendor for tariff or month-to-month services; and before you sign and submit your Form 471. In addition, if you are seeking support for the first time for services delivered under a multi-year contract signed on or before 7/10/97, the SLD cannot process your Form 471 until the 28-day waiting period has elapsed.

The date that contracts can be executed for contracted services or that selection can be made for a vendor providing tariff or month-to-month services is listed above as the "Allowable Vendor Selection/Contract Date."
